Retrospective Oct sprint

Working Well

- getting better about getting to done with JIRA
- JIRA helping us see what is accomplished
- CoP events cadence seems to be setting audience expectations
- Training Portal sign up works well - out of 20, 2 people didn't show
- flow getting better - goals, what are we doing, getting done

Challenge

- feel like hard to catch up if miss a meeting
- prioritizing is still fuzzy
- getting entire team involved in CoP events
- needs more structure around planning events
- posters about events
- off on who is a member and remove those not participating - Tamara
- Work with a name to it
- timing for the meeting - Cayla
